

JANNAF Policy on Papers and Presentations

JANNAF policy requires that you submit both your paper and a Publication Clearance form **prior to** the meeting. JANNAF adheres to its policy of NO Paper, NO Publication Clearance, NO Podium. Please refer to the Publication Clearance Form for additional information and instructions for completing the form correctly. Limited guidance regarding Controlled Unclassified Information (CUI) markings can be found on the Publication Clearance Forms page of the current meeting web site, as well as on the form itself.

Paper Preparation and Style Format

Submit papers in PDF (Adobe Acrobat version X or later) format only. JHU WSE ERG reserves the right to add the distribution statement and, for limited distribution papers, the required export control warning and (if applicable) CUI markings, if these items are not included in your paper. For your convenience, a **paper template** is available on the Author Information page of the current meeting Web site.
